

## **Bobcat Ceremony**

Tonight our Pack has some boys who have worked very hard since joining Cub Scouts.

The Bobcat Badge is earned by those who have demonstrated a commitment to scouting and a willingness to take on the challenge of the program.

Will the following boys please come forward with their parents as I call your name.

Along with the Bobcat Badge, we in Pack 628 take on the colors that signify the spirit of scouting.

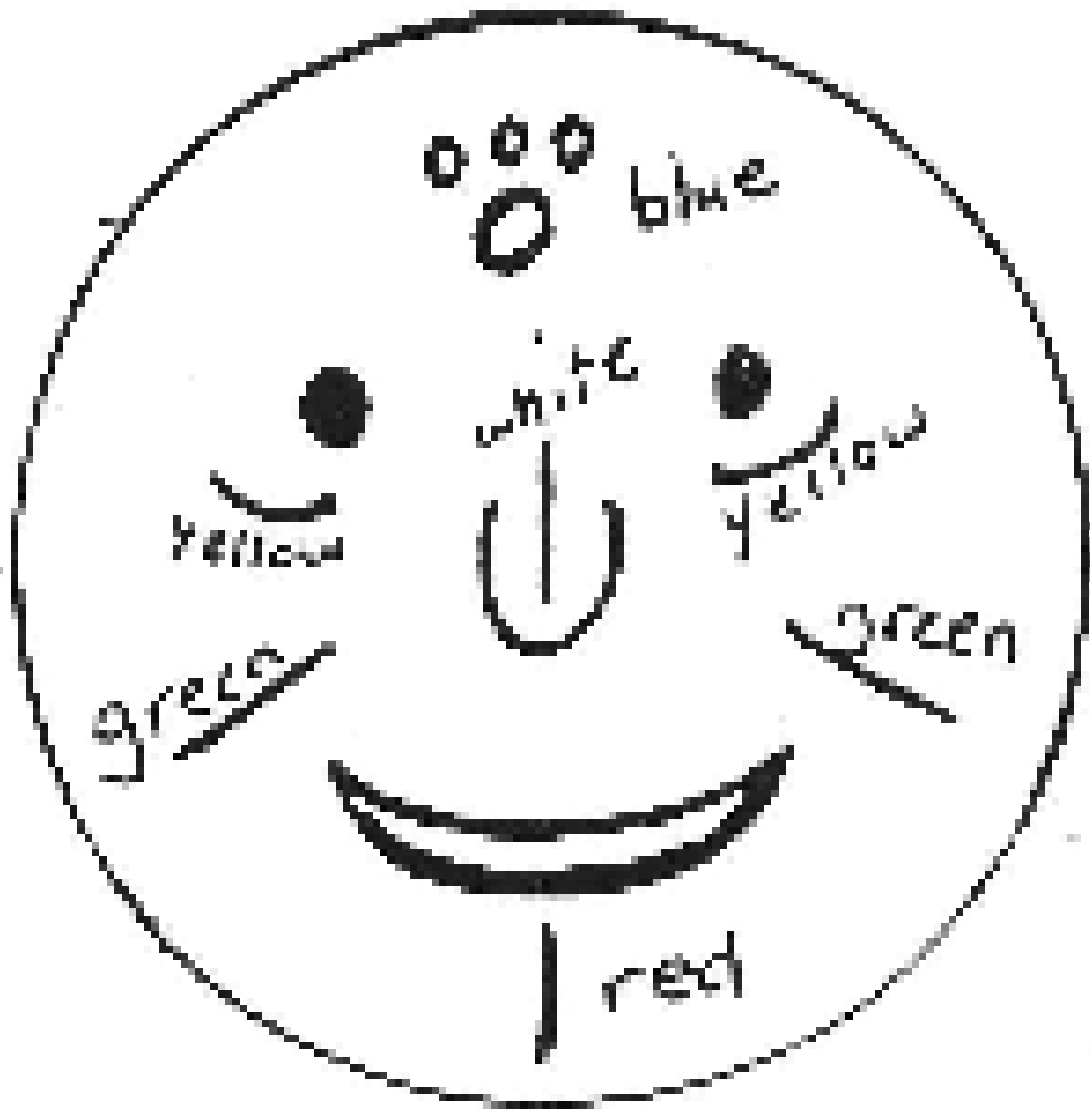

BLUE is from the sky. The paw print of the Bobcat on your forehead is the spirit of the bobcat. This reminds you to do your best on the Cub Scout Trail.

YELLOW is from the sun. The marks under your eyes will help you see the light of the Cub Scout trail and they symbolize the bright spirit of Cub Scouting.

WHITE is for purity. The mark on your nose helps you know right from wrong as you go along the Cub Scout trail.

RED is for courage. The mark on your chin reminds you to always speak the truth.

GREEN stands for the spirit of nature. The marks on each cheek will guide you to live in harmony with the great outdoors.

Parents, your boys would not be up here without you. The color WHITE also signifies Love and Guidance.

Cubs, your parents are always with you in your heart and in your spirit. You may paint a WHITE stripe on your parent's nose.

Your will always do the right thing and will help you achieve all your Scout goals and keep you on the track of life until you are a man and can soar with the Eagles.
